Dear Parents and Caregivers,

Welcome to week 8 on the Terrace. Rooms 9 and 10 are getting excited as they prepare for camp, Room 8 is getting ready for a day in the Abel Tasman National Park and things are buzzing along at school!

Welcome to Hayley Gibbins

A very warm welcome to Hayley who has started teaching at Clifton Terrace. Hayley will be taking over Megan Howard's position in Room 10. Megan will be at CTS for the remainder of the term and will work with Hayley to provide a smooth transition for the class.

Assembly on the Terrace

Last week Room 15 hosted our assembly. I loved their message where they used the "six thinking hats". The six thinking hats were devised by Edward de Bono. The 6 thinking hats are;

- The White Hat** - The White Hat calls for information known or needed.
- The Red Hat** - The Red Hat signifies feelings, hunches and intuition.
- The Black Hat** - The Black Hat is judgment -- the devil's advocate or why something may not work.
- The Yellow Hat** - The Yellow Hat symbolizes brightness and optimism.
- The Green Hat** - The Green Hat focuses on creativity: the possibilities, alternatives and new ideas.
- The Blue Hat** - The Blue Hat is used to manage the thinking process.

The 'hats' were used to solve a problem that Room 15 was concerned about in our school which was the food scrap bin. Unfortunately, the worms won't devour some of the food scraps in the worm farm. Therefore, Room 15 analysed the problem and saw a need for another food scrap bin to separate different foods. Well done Room 15. I loved the way you saw the problem and then used your thinking skills to come up with a solution.

At the assembly, I was pleased to present the following people with Principal's Awards;

Cate Barton: Cate has made a commitment to persevere with all activities C.T.S. has to offer. She is kind and supportive towards others. Congratulations Cate.

Lily Nichols: For settling into school with such a positive, happy attitude, and for giving everything a go. Awesome effort, Lily.

Keira Tootell: Keira has an amazing way of thinking which allows you to share some great ideas with the class.

Grace Franklin: For your wonderful positive attitude in all you do. You give everything your best.

Johan Banks A very hard working committed boy who gives everything a go with a mature and positive manner. You are knowledgeable and willing to help others.

Mathew Fyfe: A consistently hard worker who gives everything a try. An outstanding effort in the senior school swimming sports last week where Mathew challenged himself in a number of races.

Erica Hardiman: An amazingly hard worker who always works to the best of her ability. She loves helping others and we love having her in Room 10!

Ruby Black: It's great to see you becoming confident and giving things a go Ruby. Your commitment and hard work is excellent.

Zach Donovan: Your smile, and your enthusiasm for learning is contagious! I love how you put 100% into everything you do even when the going gets tough, you get going! We are so proud of your efforts in all aspects of your learning.

Ben Etchells: You quietly persevere to expand your horizons. Thanks for being a great CTS role model, Ben.

The Lone Star award went to **Shayla King** who showed a lot of initiative to get something fixed when she found that it had been damaged.

Well done to all our award winners. It's great to see you all *livin' the vision*.

Neighbours Day 2012

We all know the benefits of great neighbours! Coming up this weekend is New Zealand's second ever Neighbours Day celebration – a great reason to acknowledge those living next door. You could bake some cookies, share some veges, host a street bbq or go and say 'hi' to a neighbour you might not yet know. See www.neighboursday.org.nz for lots of great ideas and resources to help create and celebrate neighbourliness in your street.

Neighbours Day Aotearoa is about making time to celebrate and get to know our neighbours better. Share a cuppa, chat over the fence, get the kids playing together, or hold a street BBQ. What you do makes a difference in your neighbourhood. Sign up at www.neighboursday.org.nz
