

**PHONE 548 9730**

**PHONE 548 9730**

**SUGGESTIONS:**

Family members wishing to swim while others are in lessons are required to pay the normal entry fee at the office or into the Honesty Box.

Outside Public Hours the swimming pool is not supervised and any person, including children, swims at their own risk. Parents and Caregivers have sole responsibility for swimmers in their care.

Schoolage and pre-school lessons are able to coincide lesson times most easily during the school holiday period.

Traffic problems can be avoided by booking lessons held before 5pm or after 6pm.

Customers, who have used the later time, thoroughly recommend it. Dinner can be had prior to coming, allow an hour – and Dads are able to be involved (they enjoy it).

CAR POOLING Reduces travelling costs, arrange to share with friends.

**POOL TEMPERATURE**

The Learners Pool is maintained at 29/30 Celsius for lessons and the 25 Metre pool at 26C which is ideal for length swimming.

**GIFT VOUCHERS**

A Lesson Voucher is available.

An ideal Christmas or Birthday Gift. Normal prices apply.
